REPORT OF POLICE CHIEF

Friends,

In the year 1983, we have served you to the best of our ability and we have gone over many, many hurdles together. This Department has devoted much free time to you, the public, and acquired many free materials to teach what we feel will be a deterrent to later crimes against you. We have also enjoyed another year of very good cooperation between you, the public, and we, the Police Department. This has brought us closer to the community and makes us feel a part of you.

Thank you for being there.

Sincerely,

Daniel R. Shejen
Chief

REPORT OF THE FIRE CHIEF- 1983

The William Hill Engine Company #2 responded to a total of 89 alarms during 1983. The nature of the alarms is listed below.

The Company wishes to thank the people who have supported the activities of the Company during the past year. The year was a busy one with our 100th anniversary as the town fire department. The firemen will continue to serve you for another 100 years with the dedication of the past.

I invite any citizens of the town who would like to join the fire department to apply for membership. The requirements are that the individual be at least 18 and not over 50 years of age and in good health. The roster of the Company has several openings that are available to those willing to serve. There is a junior firefighters program for those of 15 to 17 years of age. Applications are available from the fire chief for anyone interested in joining the department.

Re: Plumbing Permits issued in North Berwick - 1983

Seventy-six permits were issued in 1983.
The permits were for new homes and remodeling.

Inspections were performed during construction and at completion of projects.

The following note is in regard to an External Waste Water Disposal System: a permit shall be required prior to construction or installation of a system. Application shall be completed by a licensed Soil Evaluator. An application shall be required for New systems, Seasonal Conversions or Replacement systems.

Respectfully Submitted
Glendon B. Cole L.P.I.

REPORT OF THE CODE ENFORCEMENT OFFICER

To the Citizens and taxpayers of the Town of North Berwick I do hereby submit the following:

Statistics: (Permits Issued)

House starts	16
Additions	20
Storage Buildings and Garages	19
Commercial	3
Industrial	1
Remodeling, signs, etc.	17

With a new year upon us which includes a number of changes to our zoning and land use laws proposed by State Legislature and Planning Board, I would urge that the citizens strive to put some input into these new rules and regulations. Any change in rules and regulations effect every citizen in the community.

Respectfully submitted,
Jeff Beaulieu
C.E.O.

NORTH BERWICK SANITARY DISTRICT PROGRESS REPORT TO THE CITIZENS OF NORTH BERWICK

In 1983 we have steadily progressed with our plans for a sanitary district. Federal and State Funds were received for step II and our engineers are now updating our plans and surveying the town streets.

We completed the final tests at our proposed facility site, and we are ready to purchase the land that is needed for our system.

We hired Joe Herlihy, a real estate and land appraiser, to complete an appraisal of the acreage that we will need for our system. This apraisal was completed and has set the stage for land negotiations that will take place in January 1984.

Step II should be completed in 1984 and we will have also secured the land for our facility. 1985 appears to be the target date for step III, which is the actual construction of our Sanitary System for North Berwick.

Kenneth Butland, *Chairman*
Harland Allen, *Co-chairman*

PARKS AND RECREATION REPORT - 1983

To the Citizens of North Berwick:

As we approach the end of another eventful year in the commission, we would like to extend our gratitude to all the townspeople who helped and encouraged us in our endeavors. Special thank-you's go out to the Lowery's for the donation of a picnic table to replace the old one at the town playground, and to the Elm Street Market for helping to make the winter movies the success that they are.

This year, as last year, we found the bus trips to be very popular and once again hope to expand on them. We hope to include more senior citizens trips, and also possible trips to Fenway and Foxboro.

Respectfully,

N. Berwick Parks & Recreation Comm.

LIBRARIAN'S REPORT

To the citizens of North Berwick:

This year has been one of changes for the Hurd Library. In June Mrs. Leona Durgin retired from her job as librarian due to ill health. Her many friends miss her in the post she held for nearly thirty years. She was responsible for many improvements over the years.

One of the most recent of these is the parking lot in the rear of the building for which the town voted funds. It is used by most of our patrons and we are grateful that children do not have to get out of cars on the street.

We continue to receive many useful books as gifts to add to our collection.

Our new Saturday hours are becoming more popular, especially with young people who are too busy during the week to use our facilities.

Mrs. Una Phillips continues to do an excellent job in the adult section.

Mrs. Linda Pederson has been a welcome addition to our staff. As children's librarian she has been conducting a successful story hour once

a week. Average attendance is more than a dozen pre-schoolers. The circulation of children's books is increasing steadily and nearly equals the total of adult books on loan.

Betsy Bragdon has been of great value to us, working Saturdays. She has been helping in our research department checking shelf lists with the card catalog ensuring that patrons will be able to find the books they require easily.

We are grateful for the help of Norman White who is our handyman and Darren Polland who has been doing a fine job with the yard work.

I am happy to serve the library and hope to continue the fine service you have enjoyed for so many years. (I am a graduate of Eastern Michigan University and have additional training in graduate courses at the University of New Hampshire.)

Respectfully,
Mrs. Ruth Clippert

**SELECTMEN'S OFFICE
TOWN OF NORTH BERWICK, MAINE 03906**

Report of the Cable Television Regulatory Commission

Cable television has come to the Towns of North Berwick, Ogunquit, Wells and York but at a pace far slower than anticipated when collectively, the four Towns awarded franchises to New England Cablevision, Inc.

During the past year the Cable Television Regulatory Commission was concerned as to delays in completion of cable construction and in regard to a lack of responsiveness on the part of the cable company to prospective customer's questions about service availability.

A delay in construction of the trunk cable to York was caused by road work on Route 1, and a longer than expected construction period in all four towns resulted from an original under-estimate of the number of

cable miles which would be required. While each of these causes were accepted as impacting the construction schedule, the Commission considers the delays experienced far longer than such events would warrant.

Of even greater concern has been the numerous telephone calls to the Commission members and to the Selectmen of the Towns complaining that cable company employees could provide no reliable information as to when service could be available in particular areas. Questioned in this regard, the company can only cite as a cause, the need to hire and train a work force which had no prior experience in the cable television field. The Commission finds little credence in such an excuse since New England Cablevision has had many years of experience in the field and should have recognized a need to provide at least a cadre of experienced people to train it's new employees and, in the interim, be a focal point of information for prospective customers in our communities.

The problems described above now seem to be behind us and a substantial percentage of our citizens have cable television available to them. All areas with a housing density of 25 or more homes per mile are now served by cable. Areas which do not meet the 25 homes per mile criteria will be served if they are identified as having at least 15 households where an interest in the service exists. Individuals who feel that there is such an interest in their area should notify the cable company of that fact.

Based on the comments of cable subscribers in all of our towns, the quality of service being provided by New England Cablevision is very high and the number and variety of channels offered provide a broad selection of entertainment to our communities.

As a condition of the franchise award, the cable company was required to make available the necessary training and video facilities to provide for local origination of television programming. The Commission feels that local civic, governmental and educational entities in our four communities should now begin to take advantage of these resources in the advancement of their activities.

The Commission intends to continue it's efforts to assure high-quality television service to our local areas and it will welcome all suggestions in regard to advancing it's effectiveness in this regard.

Respectfully submitted by the Cable Television Regulatory Commission

AUDITOR'S REPORT

Board of Selectmen
Town of North Berwick
North Berwick, Maine 03906

Gentlemen:

We have examined the financial statements of the various funds of the Town of North Berwick, Maine, for the year ended December 31, 1983, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents, present fairly the financial position of such funds of the Town of North Berwick, Maine, at December 31, 1983, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Town of North Berwick, Maine
Notes to Financial Statements
December 31, 1983

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town are presented and maintained in accordance with the balanced-fund principle of governmental accounting. The Town maintains the following funds:

General Fund

Special Revenue Funds

Trust Funds

Long-term Debt Group of Accounts

The Town recognizes General Fund revenue when assessed or collected, whichever occurs first. When amounts are appropriated, unappropriated surplus is relieved. Any unexpended balances which are to be carried to the next year are reported as appropriated surplus.

Taxes and liens receivable are only recognized to the extent that they are expected to be collected within sixty (60) days of year end. A reserve is established for amounts that will not be received within this period.

AUDITORS' REPORT ON
OTHER FINANCIAL INFORMATION

Board of Selectmen
Town of North Berwick
North Berwick, Maine 03906

Gentlemen:

The audited financial statements of the Town of North Berwick and our report thereon are presented in the preceding section of this report. The financial information presented hereinafter was derived from the accounting records tested by us as part of the auditing procedures followed in our examination of the aforementioned financial statements, and in our opinion, it is fairly presented in all material respects in relation to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the financial position and results of operations of the Town.

SEPARATE OPINION ON COMPLIANCE

To the Selectmen
Town of North Berwick
North Berwick, Maine 03906

We have examined the combined financial statements of the Town of North Berwick, Maine, for the year ended December 31, 1983, and have issued our report thereon dated January 26, 1984. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the appropriate Bureau of Census form with the audited records of the Town of North Berwick, Maine.

In our opinion, for the items tested, the Town of North Berwick, Maine complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of North Berwick, Maine had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.
